75. SUBJECT'S STATEMENT REGARDING THE USE OF FORCE

☐ DNA☐ REFUSED☐ UNABLE TO INTERVIEW (Specify Reason)

At approximately 1825Hrs the Reporting Captain initiated an interview with the subject (THOMAS) as he was detained in Cell 3 of the 23rd District Lockup. The subject was advised of his Miranda Warnings in the presence of the lockup keeper, Officer ELLIOTT, and the subject responded that he understood each of his rights. The subject then also agreed to be interviewed without the presence of an attorney. The subject was observed to have bloodshot eyes and a strong odor of an alcoholic beverage on his breath, and the subject admitted to having been drinking beer prior to his arrest. The subject stated that he had been transported by the police to the hospital at his request following his initial arrest relative to his being a diabetic and his taking psych meds. The subject reported that at the hospital he had: gotten into it, with the hospital staff. The subject admitted that once back in the sallyport of the 23rd District station he refused to get out of the police van, despite being requested and ordered to do so numerous times. The subject stated that he refused to get out of the van because he was angry with the hospital staff. The subject stated that he was subsequently pulled from the van and was escorted from the van through the sallyport. As the subject was near the door leading to the lockup entrance, the subject stated that he leaned back into Officer ALI, and that Officer ALI then struck him with the palm of his hand. The subject objected to this action by Officer ALI and he stated that he wished to make a complaint. The subject was observed to be uninjured and he had no complaint of injury.

76. WATCH COMMANDER/OCIC RATIONALE FOR BOX 77 FINDING

In summary: Officers ALI and L.RODRIGUEZ were working Beat 2372 and were assigned to transport the subject (██████████) from the 23rd District station to Thorek Hospital. The subject had requested to go to the hospital relative to chest pains and a need for diabetic insulin. This subject had been disruptive in the hospital and subsequently refused medical treatment and the subject was cleared by the attending physician, Dr. SHARIF, for release from the hospital and admission into the lockup. Once back in the sallyport of the 23rd District station the subject refused to exit the police van (Vehicle 6816) used by Beat 2372, and the subject was ordered several times by Officers ALI and L.RODRIGUEZ to exit. These officers called for assistance in safely removing the subject from Vehicle 6816. Officer HILBRING (the arresting officer) and the Reporting Captain subsequently arrived in the sallyport. The Reporting Captain observed the subject refuse additional orders to exit the van from Officers ALI and L.RODRIGUEZ. The subject also refused to comply with a request from the Reporting Captain to exit the van. Officer L.RODRIGUEZ subsequently utilized control holds to begin moving the resisting subject. As Officer L.RODRIGUEZ and Officer ALI were able to get the subject into a standing position outside of Vehicle, with the assistance of Officer HILBRING the subject was escorted to the door leading to the Lockup Entrance. As the Reporting Captain was opening this secure door and turned toward the door to utilize the security door entry device, Officer ALI reports that the subject attempted to head butt him, and in self defense Officer ALI utilized a single open hand strike to successfully counter act the assailant action of the subject. As the Reporting Captain turned back toward this interaction, Officer L.RODRIGUEZ immediately reported that the subject had just attempted to head butt Officer ALI. The subject was then subsequently escorted into the lockup and into Cell 3 without further incident. Based upon the complaint of the subject, the Reporting Captain contacted Investigator JOHNSON at the Independent Police Review Authority and initiated Complaint Log Number 1049161.
